## Going Green

*Video Conference*

*Environmentally Friendly*

*Communication*

GREEN programming events will be presented at the Video Conferencing Site in cooperation with SPOG Neighbours Day, Town of Sundre and Sundre Chamber of Commerce

## Program

*Free Admission, everyone is welcome*

### 9:30 am Show and Tell

Municipal Green Initiatives presentations from the Town of Okotoks AB, Town of Sundre AB, City of Rochester MN, City of Greensburg KS  
This event is sponsored by the Sundre Sustainability Group.

### 11:00 am Alberta's Simple Act of Green

How easy is it to be environmentally friendly?  
Presented by energetic young professionals of the Alberta Conservation Team.  
This event will invite the community to kick start local going green initiatives.

### 12:30 pm Olds College School of Innovation

Green research, interactive presentations and demonstration of initiatives at the Olds College Campus.  
This event is presented by Olds College School of Innovation

### 1:30 pm PAMZ we care for our Air

PAMZ is local multi-stakeholder non-profit association that has been monitoring and managing air quality throughout the region for over 10 years. Come learn about regional air quality trends and your role in maintaining and improving the quality of the air you breathe.  
This event is presented by the Parkland Airshed Management Zone.
